

Rules, Schedules and Topics for Code Reviews in Spring 2026

1 Rules for Code Review

1. Code reviews will be conducted at N 1001B unless otherwise noted, when school opens.
Monday, Wednesday 11:30 - 01:00 PM (please arrive before 12:45 PM)
 02:30 - 05:30 PM (please arrive before 05:15 PM)
Tuesday, Thursday 11:30 - 05:30 PM (please arrive before 05:15 PM)
2. For each code review, one of the listed programs will be chosen. You write an answer in paper, then explain verbally in person in real time to a designated TA or lab instructor.
3. All code reviews must be taken by the deadline. There are no make-up code reviews.
4. Only the designated TA or lab instructor can mark your code review as accepted.
5. If you do not see your code review marked accepted in the system right after presenting it, you must contact your lab instructor immediately to investigate the issue.
